- I have access to outside space greater than 40m<sup>2</sup> where I can grow plants
- I have a disability/special needs and would benefit from access to the garden (please give details; all information will be treated in the strictest confidence)

Before you apply, please ask yourself:

- Do you have the time, commitment and energy to care for a plot in all seasons?
- Are you willing to follow organic principles (we can provide guidance)?
- Are you able to give 4 weekend afternoons annually to help maintain the garden for the benefit of members and the community (the latter is a requirement of our lease and of most grant funding)?

In addition, would you be willing to volunteer from time to time to help with (please tick):
