

## **Code of Conduct**

### **Trustees and management committee**

Should act solely in the interests of King Henry's Walk Garden, to meet its charitable purpose effectively and sustainably for the public benefit.

- Should always act honestly, and with integrity and objectivity.
- Should act and take decisions in a manner that is timely, effective, open and transparent, and hold themselves accountable for those decisions.
- Should ensure the right of all Garden users to be treated fairly, and to feel safe.

### **Garden members (ploholders and keyholders)**

Members must agree to abide by the

- Garden Rules,
- Membership Policy and Procedures,
- Code of Conduct.

### **All Garden users and visitors**

In order to make the Garden a welcoming place for all, members and visitors should show consideration at all times for other users of the Garden, and ensure that the safety, security and tranquillity of the Garden are maintained.

All members and visitors must ensure that they take reasonable care of themselves and others when in the Garden.
